

GETTING TO KNOW YOUR OPAL

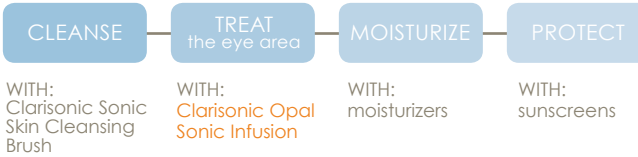

⚠ CAUTION – Refer to User Guide for more cautions and warnings. Read User Guide before use.

For more information visit www.clarisonic.com/opal/support

WHEN DO I USE OPAL?

After cleansing, treat your eye area with the Opal. Opal is gentle enough for daily use, morning and evening. It's designed to target puffiness, dark circles, and fine lines.

TIPS FOR BEST RESULTS

- Cleanse skin first with the Clarisonic cleansing brush.
- Use enough serum so the Applicator Tip glides easily across the skin
- Keep Applicator Tip flush onto face
- Apply your favorite eye cream after the Opal serum, if desired
- If you have any questions or problems with your Opal, give us a call or visit us online; we'd love to help.

Opal[™]
SONIC INFUSION SYSTEM
with Anti-Aging Sea Serum

QUICK START GUIDE

clarisonic

CONTENTS

- White travel bag with **Opal Sonic Infuser**.
- Foil pouches with **Serum Dispenser Caps**, sealed to preserve freshness.

- Inner box with **Charging Base**, power cord, extra **Applicator Tip**.

- User Guide (for answers to all your Opal questions)

1. ASSEMBLE OPAL

- **Tear** one protective pouch at notch to open and **remove** Dispenser Cap.

- **Remove gray** protective cap from Dispenser Cap and discard.

- **Push Dispensing Button** several times until serum appears. Dab off excess serum.

- **Attach** Dispenser Cap to Sonic Infuser – feel the magnetic “click”

2. CHARGE for 24 hours before use

- **Place** the Sonic Infuser on the Charging Base. Align stripe of the Charging Base with the stripe of the Sonic Infuser, with Clarisonic logos facing up.

- Feel a **magnetic click**

- **Flashing blue light** indicates charging. The Sonic Infuser pulses twice when properly placed on charger.

(flashing blue = charging, solid blue = fully charged)

⚠ **DANGER** – Electrocutation Risk with Charger:

- Keep charger away from water.
- Never use while bathing.
- **If charger falls in water, do not touch it!** Unplug from wall immediately.

3. DISPENSE SERUM

- **Separate** Dispenser Cap from Sonic Infuser

- **Place nozzle** of the Dispenser Cap **over the Applicator Tip** of the Sonic Infuser

- **Press Dispensing Button** as needed to dispense correct amount of serum (just fills Applicator Tip)

4. APPLY SERUM*

Use Sonic Infuser on crow's feet area around the eyes

- **Press and release Power button** on side of Sonic Infuser to activate

- **Place activated Sonic Infuser** on crow's feet area

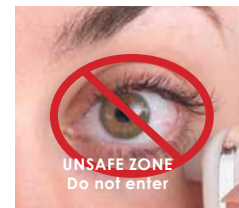

- Gently **follow rim of bone** outlining the eye area (tip should glide easily over the skin)

- Use small **overlapping circular** motion (automatically turns off after 30 seconds)

- **DO NOT USE** on soft tissue under eye and eye lids to avoid eye injury

- Gently **tap** any **remaining Serum** into the skin using the ring finger

- **Dispense additional Serum** onto Applicator Tip and **repeat for other eye**

*As with any skincare product, check for skin allergies by placing a small amount to inside of forearm. If bumps, burning, skin discoloration or other allergic reaction occurs, discontinue use.
