UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

PACIFIC BIOSCIENCE  
LABORATORIES, INC., a Washington  
corporation,

Plaintiff,

v.

NUTRA-LUXE M.D., LLC, a Florida  
limited liability company,

Defendant.

No.

COMPLAINT FOR PATENT  
INFRINGEMENT

**JURY DEMAND**

Plaintiff Pacific Bioscience Laboratories, Inc. (“PBL”), for its Complaint for Patent Infringement against Defendant Nutra-Luxe M.D., LLC, (“NutraLuxe”), hereby alleges, by and through its attorney, on personal knowledge as to its own actions and on information and belief as to the actions of others, as follows:

**I. INTRODUCTION**

1. Plaintiff PBL dramatically changed the market for skin cleansing products when it introduced its innovative Clarisonic Sonic Skin Cleansing System (the “Clarisonic System”) in 2004. The Clarisonic System employs motion and forces at sonic frequencies to cleanse, soften, and smooth skin.

1 2. Prior to the introduction of the Clarisonic System, there were no sonic facial  
2 cleansing devices on the market. PBL created today's market for such products.  
3

4 3. The Clarisonic System has been an enormous success and has achieved national  
5 recognition and awards. In 2010, PBL was named one of Inc. 500's Fastest Growing Private  
6 Companies.  
7

8 4. PBL received broad protection for its innovations, including utility and design  
9 patents. However, PBL's innovations have been the subject of widespread imitation by others,  
10 who have attempted to capitalize on PBL's success.  
11

12 5. Defendant NutraLuxe is one such imitator. After seeing PBL's success,  
13 NutraLuxe introduced its NutraSonic 4-Speed facial cleansing system ("NutraSonic 4-Speed")  
14 and NutraSonic Travel/Companion facial cleansing system ("NutraSonic Travel"). NutraLuxe  
15 has made the NutraSonic 4-Speed and NutraSonic Travel work and look like PBL's products,  
16 thereby infringing PBL's patents.  
17

18 6. NutraLuxe sells or has sold the NutraSonic 4-Speed and NutraSonic Travel  
19 throughout the United States at least through Amazon.com, [http://www.amazon.com/Nutra-](http://www.amazon.com/NutraSonic-1020-Professional-Cleansing/dp/B002RZKFAQ/)  
20 [Sonic-1020-Professional-Cleansing/dp/B002RZKFAQ/](http://www.amazon.com/NutraSonic-1020-Professional-Cleansing/dp/B002RZKFAQ/) and [http://www.amazon.com/Nutra-](http://www.amazon.com/NutraSonic-0046-Companion-Professional/dp/B004UOTVG6/)  
21 [Sonic-0046-Companion-Professional/dp/B004UOTVG6/](http://www.amazon.com/NutraSonic-0046-Companion-Professional/dp/B004UOTVG6/).  
22

23 7. PBL seeks to stop NutraLuxe's infringing conduct and obtain compensation for  
24 the violations that have occurred thus far.  
25

## 26 II. PARTIES

27 8. Plaintiff PBL is a Washington corporation incorporated in January 2001, with its  
28 principal place of business at 17275 NE 67th Court, Redmond, WA 98052.  
29

30 9. In December 2011, PBL was acquired by L'Oréal S.A., a French société anonyme  
31 ("L'Oréal"). L'Oréal is the owner, and PBL is the exclusive U.S. licensee with the right, *inter*  
32 *alia*, to bring suit, of protectable patent rights as described herein.  
33  
34  
35  
36  
37  
38  
39  
40  
41  
42  
43  
44  
45  
46  
47  
48  
49  
50  
51

1           10. On information and belief, Nutra-Luxe M.D., LLC is a limited liability company  
2  
3 organized and existing under the laws of Florida with its principal place of business at 6835  
4  
5 International Center Blvd. Unit 5, Fort Myers, FL 33912.

6  
7           11. On information and belief, NutraLuxe manufactures, markets, and sells electric  
8  
9 skin care devices under the name NutraSonic.

10  
11                           **III. JURISDICTION AND VENUE**

12           12. This case arises under the patent laws of the United States, 35 U.S.C. § 101 et seq.

13           13. The Court has subject matter jurisdiction over this case pursuant to 28 U.S.C.  
14  
15 §§ 1331, 1332, and 1338.  
16  
17

18           14. PBL has its principal place of business in this District, and makes its Clarisonic  
19  
20 devices available for sale in this District.  
21

22           15. This Court has personal jurisdiction over NutraLuxe because, on information and  
23  
24 belief, NutraLuxe has committed and continues to commit the acts violating PBL's intellectual  
25  
26 property described herein within the State of Washington, including in this District, and places  
27  
28 infringing products into the stream of commerce, with the knowledge or understanding that such  
29  
30 products are sold in the State of Washington, including in this District.  
31

32           16. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b), (c), and 28  
33  
34 U.S.C. § 1400(b) because, *inter alia*, PBL's principal place of business is within this District and  
35  
36 PBL suffered harm in this District, because a substantial part of the events giving rise to the  
37  
38 claims against NutraLuxe occurred and are occurring in this District, and because NutraLuxe  
39  
40 transacts business within this District and offers for sale in this District products that infringe  
41  
42 PBL's intellectual property.  
43  
44

45                           **IV. BACKGROUND**

46           17. Since the early 2000s, PBL has designed, developed, manufactured, marketed,  
47  
48 and sold in the United States (and worldwide) its innovative Clarisonic System, which is a line of  
49  
50 skin care products including a number of Sonic Cleansing Brushes and accessories, the  
51

1 Clarisonic Opal® Sonic Infusion System, and targeted treatment solutions. Examples of  
2  
3 Clarisonic products are pictured below:

12  
13  
14  
15  
16  
17  
18  
19  
20 18. The Clarisonic System was developed by PBL over many years at great expense  
21 and effort and represents a breakthrough in devices and methods for treatment of early stage acne  
22 and for effective cleansing of skin. Those devices and methods employ motion and forces at  
23 sonic frequencies to cleanse, soften, and smooth skin. They alleviate clogged pores and remove  
24 debris from skin more gently and effectively than alternative devices or methods, such as manual  
25 cleansing.  
26  
27  
28  
29  
30

31  
32 19. The innovations embodied in the Clarisonic System are protected by numerous  
33 United States and foreign intellectual property rights, including rights deriving from patents.  
34

35  
36 20. Prior to the introduction of the Clarisonic System, there were no sonic facial  
37 cleansing devices on the market. Indeed, before development of the Clarisonic System, no  
38 market existed for sonic skin care devices. PBL expended considerable resources to create the  
39 sonic skin care market and to educate the public regarding facial cleansing, as well as to market  
40 its sonic facial cleansing devices.  
41  
42  
43  
44

45  
46 21. Since its introduction, the Clarisonic System has become widely acclaimed by  
47 professionals and consumers, and has garnered many media awards from sources such as  
48 authoritative magazines in the beauty industry, Oprah's Favorite Things in 2007 on the Oprah  
49  
50  
51

1 Winfrey Show, Best of Sephora in 2007 and 2008, and QVC Customer Choice in 2008, 2009,  
2  
3 and 2010.

4 22. The success of the Clarisonic System has spurred a large number of imitations,  
5  
6 such as NutraLuxe's NutraSonic 4-Speed and NutraSonic Travel, pictured below.
