Plaintiff Pacific Bioscience Laboratories, Inc. 2 corporation organized and existing under the laws of Oregon with its principal place of business  
3 at 10226 S Dransfeldt Road, Parker, CO 80134.

13 and the Lanham Act, 15 U.S.C. §§ 1051, et seq. Supplemental jurisdiction exists over PBL’s  
14 state law claims pursuant to 28 U.S.C. § 1367(a).  
15  
16

17           13.     The Court has subject matter jurisdiction over this case pursuant to 28 U.S.C.

22 devices available for sale in this District.  
23  
24

25           15.     This Court has personal jurisdiction over Our Family Jewels because, on

27 violating PBL’s intellectual property described herein within the State of Washington, including  
28 in this District, and places infringing products into the stream of commerce, with the knowledge  
29 or understanding that such products are sold in the State of Washington, including in this

39 U.S.C. § 1400(b) because, *inter alia*, PBL’s principal place of business is within this District and  
40 PBL suffered harm in this District, because a substantial part of the events giving rise to the  
41 claims against Our Family Jewels occurred and are occurring in this District, and because Our  
42 Family Jewels transacts business within this District and offers for sale in this District products

17. Since the early 2000s, PBL has designed, developed, manufactured, marketed, and sold in the United States (and worldwide) its innovative Clarisonic System, which is a line of skin care products including a number of Sonic Cleansing Brushes and accessories, the Clarisonic Opal® Sonic Infusion System, and targeted treatment solutions. Examples of Clarisonic products are pictured below:

18. The Clarisonic System was developed by PBL over many years at great expense and effort and represents a breakthrough in devices and methods for treatment of early stage acne and for effective cleansing of skin. Those devices and methods employ motion and forces at sonic frequencies to cleanse, soften, and smooth skin. They alleviate clogged pores and remove debris from skin more gently and effectively than alternative devices or methods, such as manual cleansing.

19. The innovations embodied in the Clarisonic System are protected by numerous United States and foreign intellectual property rights, including rights deriving from patents, trademarks, and trade dress.

20. Prior to the introduction of the Clarisonic System, there were no sonic facial cleansing devices on the market. Indeed, before development of the Clarisonic System, no market existed for sonic skin care devices. PBL expended considerable resources to create the

1 sonic skin care market and to educate the public regarding facial cleansing, as well as to market  
2 its sonic facial cleansing devices.  
3

4 21. Since its introduction, the Clarisonic System has become widely acclaimed by  
5 professionals and consumers, and has garnered many media awards from sources such as  
6 authoritative magazines in the beauty industry, Oprah’s Favorite Things in 2007 on the Oprah  
7 Winfrey Show, Best of Sephora in 2007 and 2008, and QVC Customer Choice in 2008, 2009,  
8 and 2010.  
9

10 22. The success of the Clarisonic System has spurred a large number of imitations,  
11 such as Our Family Jewels’ Episonic, pictured below.

13 Our Family Jewels with PBL that does not exist, or as to the origin, sponsorship, or approval of  
14 the Episonic product by PBL in violation of Section 43(a) of the Lanham Act, 15 U.S.C.  
15 § 1125(a).  
16  
17  
18

20  
21 68. Our Family Jewels copied the Clarisonic Trade Dress with the intent to trade on  
22 the goodwill developed by PBL in the Clarisonic Trade Dress. Our Family Jewels' intentional  
23 copying is evidenced by the high degree of similarity between the Episonic and the Clarisonic  
24 Trade Dress.  
25  
26  
27

28  
29 69. Our Family Jewels has willfully taken these actions with the intent to confuse or  
30 deceive consumers and unfairly profit from the goodwill PBL has developed in the Clarisonic  
31 Trade Dress.  
32  
33

34

45 will continue to cause PBL substantial and irreparable injury, for which PBL is entitled to all of  
46 the relief provided by 15 U.S.C. §§ 1116 and 1117, including but not limited to injunctive relief,  
47 compensatory damages, enhanced damages, and Our Family Jewels' profits.  
48  
49  
50  
51

2  
3 times its actual damages, pursuant to 15 U.S.C. § 1117.

4           74.     This is an exceptional case under 15 U.S.C. § 1117(a), thus entitling PBL to an  
5  
6 award of reasonable attorney’s fees.  
7

9

19  
20 doing business with Washington residents fully comply with Washington laws.  
21

22           78.     Our Family Jewels’ unauthorized use of the Clarisonic Trade Dress is an unfair or  
23  
24 deceptive act or practice that has the capacity to and does in fact deceive consumers into  
25  
26 believing that Our Family Jewels is affiliated, connected, or associated with PBL, or that Our  
27  
28 Family Jewels’ product comes from or is sponsored or approved by PBL.  
29

30           79.     Our Family Jewels’ conduct occurred in the conduct of trade or commerce or the

32 sale of products in the State of Washington.  
33

34           80.     Our Family Jewels’ unfair and deceptive acts and practices implicate the public

37

38           81.     All the conduct alleged herein occurs and continues to occur in the course of Our  
39  
40 Family Jewels’ business. The conduct is part of a pattern or generalized course of conduct  
41  
42 repeated on numerous occasions daily.  
43

49  
50  
51

1 83. PBL has been directly and proximately injured in its business and property by Our  
2 Family Jewels' conduct complained of herein, in violation of PBL's rights under RCW  
3 § 19.86.020.  
4  
5

6 84. Our Family Jewels' violations of RCW § 19.86.020 have caused and will continue  
7 to cause PBL to sustain damage, loss, and injury in an amount that cannot be fully measured or  
8 compensated in economic terms.  
9  
10

11 85. Pursuant to RCW § 19.86.090, PBL is entitled to actual and trebled damages,  
12 reasonable attorney's fees and costs of suit.  
13  
14

15 86. PBL has no adequate remedy at law, unless the acts of Our Family Jewels are  
16 enjoined during the pendency of this action and thereafter.  
17  
18

25

26 88. Our Family Jewels has used and continues to use in advertising and commerce  
27 false and misleading descriptions of fact, and/or false and misleading representations of fact,  
28 concerning its merchandise. Our Family Jewels has further displayed, distributed, sold, and used  
29 merchandise that infringes the Clarisonic Trade Dress, thereby unfairly taking advantage of the  
30 goodwill and business reputation of PBL. These activities constitute unfair competition.  
31  
32

33 89. Our Family Jewels has engaged in unfair competition willfully and with a bad  
34 faith intent to confuse consumers and injure PBL.  
35  
36

37 90. PBL has sustained, and will continue to sustain, substantial injuries, loss, and  
38 damage to its business by reason of the unfair competition of Our Family Jewels.  
39  
40

41 91. On information and belief, unless restrained and enjoined, Our Family Jewels will  
42 continue to engage in unfair competition that injures PBL and thereby causes irreparable damage  
43 to PBL, as it would be unreasonably difficult to ascertain the amount of compensation that could

45  
46  
47  
48  
49  
50  
51
