Clarisonic Limited Warranty Service for U.S.A.

1. Warranty Coverage

- a) For the duration of the Warranty Period, Clarisonic warrants the Product against defects in materials and workmanship arising from Normal Use of the Product.
- b) If there is a defect in the Product which is covered by this Limited Warranty, Clarisonic agrees to replace the Product with a new equivalent Product. This is the sole remedy available for breach of Warranty. Should you wish to return the Product for exchange, you must contact customer services (see Clarisonic Customer Service information section).
- c) This Limited Warranty is exclusive of all other Warranties, whether oral or written, expressed or implied. There are no implied Warranties created by the manufacture, sale, or use of the Product. If Clarisonic cannot lawfully disclaim implied Warranties under this Limited Warranty, all such Warranties, including Warranty of merchantability and fitness for a particular purpose, are limited in duration of this Limited Warranty. Some states and provinces do not allow limitations on how long an implied Warranty lasts, so this limitation may not apply to you.

2. How to get Warranty service

Subject to the limitations listed below you may obtain service under this Limited Warranty by contacting our customer service center by telephone or visit our website. Refer to Clarisonic Customer Service Information section for specific country contact information.

3. Limitations

- a) This Warranty is limited and may be relied upon only:(i) by the original end user of Clarisonic's Product; and(ii) where the Product was manufactured by or for Clarisonic and sold by an authorized distributor.
- b) To obtain service under this Limited Warranty, you will be required to provide Clarisonic with original proof of purchase date.
- c) This Limited Warranty does not apply where the Product is subjected to use that does not constitute Normal Use, including but not limited to personal injury or property damage arising from misuse of the Product.

4. Exclusions

Clarisonic is not responsible for any indirect, incidental, special or consequential damages arising out of the use of the Product, whether arising from an electrical issue or otherwise; except as determined by law. Some US States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

5. Validity

This Limited Warranty is valid only in the US and Canada, as defined by US and Canadian law and this present Warranty.
